FCC ID: V9N950325200V1
FCC Part 15 Certification (*Ref. Model APX379*)

To whom it may concern,

Short Term Confidentiality Request

Request is hereby submitted by Sonetics Corporation to withhold from public review for a period of 45 days from the date of the Grant of Equipment Authorization and prior to marketing, certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept confidential for a period of 45 days from the date of Authorization:

- External Photos,
- Test Setup Photos,
- Users Manuals,
- Internal Photos

Justification/Rationale for Short term confidentiality: Disclosure of the short-term confidential portions of this application during the period of importation and/or distribution would reveal key aspects of proprietary technology to competitors and diminish the value of our investment in product research and development. The documents identified are not normally released to the general public or users. Product is serviced only by licensee or designated technicians.
